

ARIZONA STATE SENATE
Fifty-Fifth Legislature, First Regular Session

AMENDED
FACT SHEET FOR S.B. 1492

election law amendments

Purpose

Makes various changes to statutory requirements for election ballots, dates, deadlines, election boards, nomination petitions, polling locations and recognition of new political parties on city, town or county ballots.

Background

Statute outlines requirements the conduct of elections, including the filing of nomination petitions and papers for persons seeking to become a candidate at a primary election or nonpartisan election or seeking to become a write-in candidate. Nomination petitions must include the exact manner in which a candidate desires to have the person's name listed on the ballot, which may include nicknames, but may not suggest a reference to a professional, fraternal, religious or military title (A.R.S. §§ [16-311](#) and [16-312](#)). Certain elections, including elections for school district office, community college district office, precinct committeemen and special taxing districts may be cancelled if the number of persons filing nomination petitions or papers is less than or equal to the number of open offices (A.R.S. §§ [15-424](#), [15-1442](#), [16-410](#) and [16-822](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
